Election Tues. To Decide Meek-Douglas Battle

Republicans Seek Big Vote To Overcome Democrat Gain in County

Antioch and Lake Villa Township voters like those elsewhere in Illinois will be called upon to cast their ballots next Tuesday for federal, state and local candidates.

Claiming the center of the stage so far as interest is concerned is the campaign between Joseph T. Meek, Republican, and Paul Douglas, Democrat, for the senate.

Meek is charging Douglas with socialist tendencies and Douglas is charging Meek with being a reactionary. The aging Douglas is seeking one more term after having held the office in the family two terms.

Re-election of Marguerite Stitt Church to congress is forecast, but to make this sure, the Antioch Township Republican Women are urging the people to go to the polls and vote for her and Meek, and for the rest of the county candidates. The women also urge a "yes" for the blue ballots.

Voters are reminded that to have their vote counted they must place the X inside the circle or box. Any other kind of mark or any other place will mean a spoiled ballot. An X in the Republican circle at the top of the ballot means a straight Republican ticket.

Polls will be open from 6 a. m. to 5 p. m. Voting in Antioch township will be at the following places: Precinct 1—Fire station in Antioch; No. 2—Village hall on Main st.; No. 3—Lotus School; No. 4—Grass Lake school; No. 5—Chase Service Station, Channel lake.

Maps showing the boundaries of these precincts will be displayed by Township Supervisor William Rosing at the Ford Garage.

Rosing said that 3,500 persons are registered in the five precincts, but he doesn't expect much more than 2,500 persons to vote.

Richmond Masons Will Celebrate 100th Year Of Lodge November 6

Richmond Lodge No. 143, Ancient Free and Accepted Masons, will celebrate its 100 anniversary on Nov. 6.

A turkey dinner will be served at 7 p. m. in Memorial hall with the celebration following at the Richmond-Burton Community High school. The officers invite the public to attend.

The event is an important one in the life of the Richmond lodge. R. G. Richardson will give a historical review followed by a centennial address by the Rev. Lou Wallace Gade of the Presbyterian church of Forest Park, Ill.

The chapters from Tebal temple, Rockford, Ill., will provide music.

Robert Schramm, 67, Long Ill, Died Wed.; Funeral to Be Held Sat.

Robert P. Schramm, 67, 342 Depot st., died Wednesday at 2:30 at Hines Veterans hospital, following a lingering illness.

He was born Nov. 15, 1886, at West Bend, Wis., from there he moved to Winnetka, where he lived until coming to Antioch 18 years ago. He owned and operated a service station for seven years in Antioch, retiring 11 years ago. He was a member of St. Peter's church and of Antioch Post No. 748 American Legion.

Survivors are his wife Elsie and a brother Walter of Chicago.

Funeral services will be held Saturday, Oct. 30 at 8:30 o'clock at the Strang Funeral home and from there to St. Peter's church at 9 a. m. Interment will be in Colby, Wis. Friends may call at the funeral home after 7 p. m. to-day (Thursday).

Halloween Painting Contest

Artistic paintings using the Halloween theme appeared on windows of downtown stores yesterday as grade school classes from the fifth through the eighth grades competed for \$10, \$5, and \$3 prizes offered by the Women of the Moose. The Antioch Chamber of Commerce arranged with the merchants for the display space.

In the past the children have soaped windows, but this year artistic painting will earn money for them, and be a lot more fun.

State Police Officer To Address Merchants On Auxiliary Police

Formation of an auxiliary police for Antioch will be discussed by John Wells of the Illinois State Police force to all interested merchants and other citizens at 7:30 p. m. Wednesday in the village hall.

Art Meyer, president of the Antioch Chamber of Commerce, has asked that as many merchants and other citizens as possible attend this meeting so a decision can be reached soon as to the advisability of an auxiliary force such as this for Antioch.

Lack of adequate protection for the community at certain hours of the day became apparent after service was reduced by the sheriff's office when the budget was cut.

What could be done by extra protection was shown last week when a former's sheriff's deputy single handed captured two burglars.

67 Students on First Honor Roll of A. T. H. S.

Nancy Rentner, a senior, was the only student at Antioch Township High School receiving 20 points as a perfect grade for the first six weeks of the present school year. Sixteen seniors, 19 juniors, 19 sophomores, and 13 freshmen, a total of 67 students were placed on the honor roll for this period.

They are:

FRESHMEN—Patricia Beck, Carla Ellison, Frank Fardon, Dorothy Jach, Richard Jonas, Caron Marotta, David Mitchell, Maureen O'Haver, Karen Rentner, Gwendolyn Royer, Thomas Sanhamel, Nancy Wetterberg, and Paula Zeien.

Seek Relatives of Harold Gardner, 53 Heart Disease Victim

State police hunted in vain yesterday in an effort to find relatives of Harold Gardner, 53, who died of a heart attack Tuesday forenoon at Sportsmen's Rod and Gun Club east of Antioch.

Gardner was caretaker of the club. He had been employed at various places in Lake County for the last 15 or 20 years and while he had many acquaintances, none knew where he came from originally and whether he has any relatives or not. The Antioch Rescue Squad was called to give first aid to Gardner, but he was dead when they arrived.

The body is resting at the Strang Funeral home.

Dr. Deering to Speak Before Methodist Men

Dr. D. N. Deering will speak on "Lung Cancer" when the Men's Club meets in Wesley hall of the Methodist church at 7 p. m. Monday. Films on the subject will also be shown. A roast beef dinner will be served by Mrs. Einar Petersen and her committee. All interested men are invited to attend.

Boy Scouts Have Halloween Party
Boy Scouts of Troop 92 met for a Halloween party on Tuesday evening. Costume prizes were awarded as follows: Richard Vlk, most original; Gayle Ausburger, funniest; Steve Aschenbrenner, best all around; and Dennis Kamenski, ugliest. Games and refreshments added to the evening. The next meeting will be held on Nov. 2 at which time Commissioners Harry Jesse will conduct the annual character inspection.

TRICK OR TREAT

Ghosts and Hobgoblins Will Parade Tomorrow In Daytime Halloween Festivity of Grade Schools

Goblins and ghosts will be seen in broad daylight tomorrow afternoon (Friday) when grade school children of the Antioch schools stage their annual Halloween parade under the sponsorship of the Antioch News and the Antioch Grade School.

Pupils of St. Peter's School have been invited to join the parade. No pre-school children will participate this year.

The Halloween festivity will take place in the early afternoon this year instead of at night.

The children will don their costumes during the noon hour and headed by the kindergarten classes, they will march from the public school south on Main st. to Lake st. where they will turn and parade back to the grade school building. Room mothers and others will help the teachers get the lower grade classes into their costumes.

It is expected that 600 children will be in the procession.

On their return they will go by classes to the stage of the auditorium where the judges, Mesdames Edith Elms, Olive Burke, and Susan Webb will select the first, second and third best among the girls and then among the boys of each grade.

Mrs. Margaret Gaston, publisher of the Antioch News, will serve as mistress of ceremonies and present the prizes.

A grand prize for the best costumed girl and another for the best costumed boy also will be given.

After the awarding of prizes movies will be shown as part of the entertainment.

Supt. Richard Whitacre said that extra police will be on hand to block off traffic during the parade on Main st. The children will be sent home in the usual manner about the usual time.

Sequoits Beat Bisons 43 to 0; Wauconda to Play Here Saturday

Antioch Township High School will wind up its home football games for the season when the varsity and underclassmen play Wauconda here Saturday night.

While Wauconda has won but one game in five starts this season, Coach Paul Kessenich is not minimizing the power of the Bulldogs and is drilling his squad hard for the game.

The Sequoits bounded back strong from their defeat by Glenbrook and trampled the Bensenville Bisons on their home grounds last Friday night 43 to 0. The Papposes lost however to the Bensenville Calves 14 to 0.

Bill Gallagher was high scorer for Antioch with three touchdowns which elevated him to third highest scorer in the conference. Featured with him on the offense were Don Schroeder, Ken Van Patten, and Roy Ballwanz, while Warren Brownlee was exceptionally accurate in his passing.

The Sequoits went scoreless in the first quarter, but burst forth with 22 points in the second quarter and in the last half added 21 more.

The Sequoits rolled up a total of 372 yards from scrimmage, 206 yards rushing, and 167 yards passing, with 11 completions in 17 aerial attempts. Pass receivers in the Bensenville contest were Gerry Huml with four, Harry Lingren, Bill Layton and Gallagher with two each and Ken Van Patten with one. Directing the aerial offensive was quarterback Warren (Butch) Brownlee, who connected seven times in 12 attempts. In 84 attempts in five games this fall Brownlee has connected 35 times for a total of 518 yards.

Antioch Firemen Attend County Meeting Held at Wauconda Monday Night

Fire Chief Edgar Simonsen, and firemen Ray Toft, Otto Hanke, Charles Maplethorpe, Earl Pape, and Russell Stowe attended the Lake County Firemen's Association monthly meeting Monday evening at Wauconda.

They witnessed the installation of Hugo Giangiorgi of Highwood as president by Noel White of Fox Lake.

The county association has started a fund from which \$300 is paid to the widow of a fireman at his death. The 600 volunteer firemen pay \$1 each to the fund and replenish it with a \$1 payment whenever it is depleted.

Lions Club Told by Committee Swimming Pool Plan Feasible

State Senator Robt. M'Clory Urges Members to Favor Blue Ballot

A committee report made by Chairman Dr. G. W. Jensen to members of the Lions Club at Smart's Country House Monday evening declared that a community swimming pool for the Antioch area is feasible.

The committee, after a visit in other communities where pools were constructed, gained much valuable information as to how they were financed and operated successfully.

A survey of the Antioch area will be conducted by the committee, however, before any move is made, Atty. Ted Larson, president of the Lions club said, and the organization voted a substantial sum to finance the cost of sounding out public opinion on the project.

Letters will be sent out later containing a questionnaire on the interest of the people in the matter.

Senator Robert M'Clory addressed the club Monday evening on the Blue Ballot. He said both parties are agreed in approval of the passage of the Blue Ballot amendments. One provided for the re-apportionment of representatives; the second called for the increase of tenure of the state treasurer from two to four years; and the third disposal of an unused canal.

"Vote Yes on all three," urged the senator.

To Sponsor Boy Scouts
The club in its business session voted to sponsor the Antioch Boy Scouts but not the Cub Scouts. It also voted to furnish the new Winthrop Harbor Lions Club a new banner and a flag which will be presented at the first regular meeting of the Winthrop Harbor Lions on Nov. 17. Antioch is co-sponsor of that club.

James Horan, Roy Hartman, and Art Smejkal were appointed as a committee to erect new Lions Club signs at the main highways outside the village announcing to visiting Lions the date and hour of meetings.

A nominating committee comprising past presidents was appointed by President Larson to bring the names of candidates for election at the next meeting. The committee comprises Homer La Plant, Loren Sexauer, Robert Wilton, Irving Carey and William Brook, chairman. The meeting will be held Monday, Nov. 8.

Victim of Accident on Rte. 173, Oct. 5. Dies

Herman Brey, 71, of 1510 Laurel ave., Waukegan, who was injured Oct. 5 in a collision with his son Gerald's pickup truck with another car on Rte. 173 two blocks west of Rte. 45, died Tuesday morning.

Sheriff's police said the collision occurred when Ruth E. Farm of Bristol swung out to pass a horse-drawn wagon and got into the path of the Brey truck.

Mrs. Farm, her son, Marvin, 5, and Gerald Brey also were injured in the collision.

Mr. Brey was born June 29, 1883 in Ahnapee, Wis., and had resided in Waukegan 12 years. He is survived by the widow, two sons, four grandchildren, three sisters and two brothers.

The funeral service will be held tomorrow in St. Wenceslaus Catholic church at Milladore, Wis.

Lions Club to Open Campaign for Money To Aid Blind Persons

Before long red and yellow receptacles will appear on the counters of stores in Antioch and the surrounding area through which contributions can be made for the aid of the blind.

It will be the Lions Club's annual drive to secure money for the purchase of seeing-eye dogs for needy blind persons and to support the Hadley School of Braille.

The slogan of the campaign is "Help the Blind to Help Themselves."

A committee, composed of George Hawkins, Herman Holbek, and Dr. W. A. Birton will distribute the cans and conduct the campaign.

U. S. Senator Will Be Introduced By Rep. Church

Antioch-Lake Villa Republican Club to Be Host to Officials

A large crowd is expected at the Republican rally in Antioch Sunday evening when United States Senator Everett M. Dirksen of Pekin, Ill., will give one of his last pre-election speeches in the interest of the candidacy of Joe Meek for senator.

The mass meeting will be held at 8 p. m. in the Antioch Grade School auditorium with Rep. Marguerite Stitt Church introducing the speaker.

Dirksen will come to Antioch from Lake Zurich where he will speak at the dedication of the addition to the Ela-Vernon Township High School. He will have dinner Sunday evening with James Simpson, member of the state central committee and Mrs. Simpson at their Wadsworth home and will then come to this village by way of Lake Villa where the grade school band will play as the caravan joins him.

The program here calls for the presentation of the colors, and the pledge of allegiance to the flag, followed by the singing of the Star Spangled Banner to the orchestral accompaniment.

Richard Seyfarth, chairman of the Antioch-Lake Villa Townships Men's club will introduce officers of the club and County Chairman Jack Williams.

Chairman Williams will introduce the county candidates and Representative Church, who in turn will introduce the speaker.

The eyes of Lake County Republicans will be on the Antioch meeting during which Senator Dirksen is expected to fire both barrels in his opposition to Senator Douglas in an effort to get a congressional mate of his own party in making the administration of President Eisenhower effective.

Season Tickets for A. T. H. S. Basketball On Sale Next Week

Twelve home basketball games have been scheduled this year by Director of Athletics Warren Polley and Varsity Coach Richard Scott. The twelve games scheduled should give local basketball fans ample opportunity to see the Antioch Township High School Fighting Sequoits squads in action.

As an added convenience ticket manager Melvin Stillson has prepared for sale a block of 200 reserved season tickets. The twelve home games are: November 12 Dec. 7, Grant; Dec. 10, Wauconda; Dec. 18, Bensenville; Dec. 22, Dundee; Dec. 29, Richmond; Jan. 14, Ela-Vernon; Jan. 15, Woodstock; Jan. 21, Grayslake; Feb. 4, Glenbrook; Feb. 12, North Chicago; Feb. 18, Palatine.

Local basketball fans may purchase season tickets in room 164 of the high school Nov. 1 through 6 and between the hours of 8:00 a. m. and 4:30 p. m.

Large Crowd Sees Globetrotters in Excellent Exhibit

The Harlem Globetrotter House of David basketball game last Thursday night was a near sell-out. The two teams and the vaudeville acts were highly entertaining and the large crowd got its money's worth and more. Complete settlement on tickets has not yet been effected and it is not known how much the Lions Club of Antioch and the Men's Club of Lake Villa will make on the venture, but it should be near the goal set.

Although the Globetrotters easily beat the House of David, itself an excellent team, the score was forgotten by the audience watching the dexterity of the colored stars in handling the ball.

The performances were supplied gratis by A. M. Sperstein, manager of the Globetrotters, and the profit will be used by the Lake Villa men to finance youth projects and the Antioch club to purchase a score board for the Antioch Township High School.

YOUR VOTE COUNTS

"My one little vote doesn't count." That easy alibi is used by millions of people who fail to go to the polls. In many elections, this gross failure is shared by an actual majority of the eligible voters.

The Enterprise-Courier of Oregon City speaks out strongly about these citizens: "Disinterest in our own government is a moral crime. . . . It could mean we are taking away from our children and grandchildren the greatest single privilege granted any people."

Your "little vote" is necessary if we are to have government by the majority - not by a controlled or organized minority. The right of franchise is the bulwark of representative government - which means it is the bulwark of freedom.

CAN'T MARK TIME

The recent events indicate how important the long-term welfare of the coal industry is to this nation's economic strength and military security.

Sixteen state governors formed a Fuel Conference to work toward the solution of the industry's problems. And President Eisenhower appointed a federal committee, made up of top-ranking officials, to study those problems.

There has been a decline in coal consumption. As a whole, the industry has not been earning anything remotely resembling an adequate profit. Many mines have closed. There is serious unemployment in some major areas.

This would be a bad matter even if we could do without coal - if other sources of energy were capable of replacing it. But that isn't the case. Coal is vital to steel and electric power production. In one way or another, coal enters into the manufacture of every weapon of war - and in thousands of things we use in our daily peacetime lives. It is also essential to the newest of all great developments - atomic energy. All seem agreed that twenty years or so from now our coal needs will be twice as great as at present.

But the coal operators and coal miners can't mark time for a quarter-century. If coal is to be capable of meeting that future demand in an efficient and economical manner, it must continue to improve its facilities and techniques. It must maintain a large, highly skilled, well-paid labor force. It must earn a reasonable profit on its investment. That's why government officials, as well as coal's own experts, are working so intensively on the industry's critical problems now.

SALT IS NEEDED

A number of members of Congress, Senator Cor-

don of Oregon among them, are under attack for having voted against an amendment to the tidelands oil bill which, allegedly, would have earmarked proceeds to public education.

This amendment was of a technical nature - which in itself made misrepresentation easy. After a thorough study, Senator Cordon said that nowhere in it "are there any standards, any directions, any provisions of any kind or character by which one red cent could ever get out of the federal treasury and go to the benefit of anyone for any kind of education." The Senator who had proposed the amendment had to admit the truth of this charge. Senator Cordon then championed another amendment specifically allocating money for schools on a per capita basis. He also authorized legislation confirming federal ownership of lands beyond the three-mile limit, known as the continental shelf. It is estimated that this shelf contains 80 per cent of the mineral, oil and marine wealth of all offshore submerged lands.

The point is that political claims and attacks should be taken with many grains of salt - and carefully analyzed for accuracy or the lack of it.

MERELY ON A SPREE

Anyone who thinks that war-produced prosperity is the real thing should read a recent comment by Edgar Ansel Mowrer, the well-known columnist on world affairs. He said that in the last two wars "the United States government went deeply into debt to the people. Borrowing and spending too much money is bound to create prosperity while it lasts - or the illusion of prosperity."

"The trouble is, such debts either have to be paid or canceled by inflation. . . ."

"Conclusion: the American people were not more truly prosperous during two world wars. They were merely on a spree."

THE LOW DOWN FROM HICKORY GROVE

Been browsin' around in the dictionary - over in the "O" section - run across "opulent." And you know, as I deduct it - it is there that you can put one finger on one item raising our blood pressure. There isn't a cackle from any direction of the compass but what we bundle together of Govt. boys and take off for parts where we don't even know the language - we just gotta fix something. We have forgotten all about little David and Mr. Goliath. The folks back in those days didn't dream, either, that Goliath could venture too far from home.

Our big wages - our big budgets - our debt ceilings - our big taxes - everything "big" puts us in the mood to imagine that we are the real McCoy - can show 'em, any place - how to do everything better. If they have chosen raw fish - or kangaroo meat - or fried green tomatoes, who are we - I say - to tell 'em, tut! tut!

To lower our hypertension and maybe avoid a stroke, would be to provide each surplus Govt. person on Sambo's payroll with a glockenspiel. Music quiets - and the glockenspiel even requires 2 hands - and that's good too. Something drastic is necessary and nothing could be more diverting than a glockenspiel. You might have something there, says Henry.

Yours with the low down,
JO SERRA

LAKE VILLA

The Fisherman's Club met Thursday evening at the home of Mr. and Mrs. Peter Hollock on Grand Avenue for pot luck dinner and an evening of evangelistic visitation.

There are many women in the church who would like to have an evening circle of W. S. C. S. as there are a number who find it impossible to get away during the day, and a meeting to form such a circle will be held Wednesday evening, November 10th at the home of Mrs. Helen Weber at 8:00 P. M. All interested women are invited.

Mr. Kenneth McNamara of Portage, Wisconsin and Reginald Godfrey of Grayslake were callers at the Albert Kapple home last Sunday. They had also visited Mrs. Virginia Smith at her home in Buena Park. Mrs. McNamara is a niece of Mrs. Smith.

The Official Board of the Community Church held a business meeting at the church on Monday evening.

New members will be received into the fellowship of the Community Church at the 11:00 o'clock service next Sunday.

Charles Von Oeyen who fell from a tree at his home at Petite Lake Park last week while trimming it and has been in Condell hospital for

treatment, has been placed in a partial cast and is at his home.

Mrs. Mabel Holst of Chicago visited her sister, Mrs. Bessie Boyer at Buena Park a few days last week and returned Sunday to her home.

Mr. and Mrs. Russell Brumfield also Mr. and Mrs. Lars Steffenberg and son and Mrs. Virginia Tidmarsh of Antioch were in Chicago on Sunday and enjoyed a showing of Cinerama.

Low...and behold!

The motoramic **Chevrolet for '55**

**Chevrolet and General Motors took a whole new look at the low-cost car
—and just look what happened! NOW BEING SHOWN!**

The Bel Air Sport Coupe—one of 14 new Fisher Body beauties in three new series.

**The valve-in-head V8
as only the valve-in-head
leader can build it!**

8

Now Chevrolet, the leading builder of valve-in-head engines, introduces the "Turbo-Fire V8." It carries the V8 design to a new high in efficiency with its high horsepower (162), high-compression (8 to 1), high performance and surprisingly high gas mileage. Available with standard transmission, or with the extra-cost options of Overdrive or Powerglide.

6

**You can choose from
two new sixes, too!**

Chevrolet also offers the last word in six-cylinder performance and economy! There's a new "Blue-Flame 136" teamed with Powerglide and a new "Blue-Flame 123" with either standard transmission or Overdrive.

Can't you tell just by looking that Chevrolet and General Motors have come up with a completely new idea about the low-priced car? The idea is this: to build a car that offers the very newest thing in styling, the most modern features, the finest kind of performance and the highest quality of manufacture—all at a modest price. It's something that took a lot of doing and that only the world's leading car builders could do. Everything's new in this Motoramic Chevrolet from its lower top right down to its tubeless tires. Come in for the most fascinating visit you ever made to an automobile showroom!

SOCIETY EVENTS

Civil Defense Subject of Monday Program of Antioch Woman's Club

The Antioch Woman's Club will meet on November 1st at the Scout House at 1:30. There will be a board meeting at 1:00. Mrs. John Horan, the Civilian Defense Chairman, is in charge of the program. A colored movie entitled "Operation Ivy" which shows the H bomb detonation in 1952, will be shown by Mr. Richard Miller of Libertyville, who is the Civilian Defense Director of Lake County. Mrs. John Bryson of the Waukegan Red Cross office, who has been vitally interested in the Civil Defense program, will talk on its importance to the women of the community.

There will be a vote by the club members on the proposed changes in our by-laws; to change the amount of yearly dues and the time when they are due.

Celebrate Golden Wedding Anniversary

Mr. and Mrs. August Hennig of 1449 Addison Street, Chicago, summer resident for the past nine years Hilbert's subdivision, Salem Wisconsin, celebrated their Golden wedding anniversary, Sunday, October 24 with a Mass at Holy Name church, Wilmot, Wis. The Rev. Father Joseph Savage of Antioch read the Mass. Father Savage is a former priest of St. Andrews church of Chicago, of which the Hennigs have been parishioners since 1911. Thirty five relatives and friends from Chicago attended the Mass and were served breakfast at the Hennig home at Salem. Mr. Hennig is a retired street car conductor, retiring five years ago.

Altar, Rosary Society To Hold Baby Shower

"When the frost is on the Pumpkin" then it is time for the St. Vincent's Orphanage Committee to hold its annual Baby Shower.

This year it will be held at 8 p. m. Monday, Nov. 1, in St. Peter's school hall. Babies and children up to three years of age benefit from this shower which has been held each year for the past seven. The ladies bring new and used clothing in good condition, toys and nursery essentials that can be used by the little ones from infants to three years of age. Money gifts are also accepted as it is used to purchase needed necessities for the nursery.

Mrs. Rose Kennedy and Mrs. Dudley Kennedy, co-chairmen have worked diligently to make this evening a success. Assisting as hostesses will be Mesdames, Edward DeKant, Barbara Felt, Myrtle Stowe, Louis Pearson, and Walter Delaney.

Everyone is invited and asked to bring along a guest or a new member for the Altar and Rosary society.

Alfred Dettmering Gets 5-Day GMC Training

Mr. Alfred Dettmering is attending the General Motors Training Center at Hinsdale, Illinois to learn advanced automotive service techniques which he will use in his work at Pedersen Brothers Implement Company, Antioch.

Mr. Dettmering of Antioch is spending five days at the Hinsdale school, one of a nationwide network of training centers being set up by General Motors to keep employees of its car and truck dealerships abreast of new mechanical developments and service techniques.

A mechanic with Pedersen Brothers for 5 days selected the GMC Truck and Coach course, taking advanced study in Hydra-Matic Transmission.

Robert Pedersen, head of the company, said he sent Mr. Alfred Dettmering to the Hinsdale center to give his customers the benefit of improved service techniques taught there.

Lake Villa Community Methodist Church Given \$5,000 by Will of Late E. J. Lehmann, Chicago

The Lake Villa Community Methodist church is a beneficiary of the late E. J. Lehmann of Chicago in the sum of \$5,000, according to reports from Chicago.

The Rev. Kenneth Plummer, pastor of the church, said yesterday that he had received a note from the clerk of the probate court that the church is listed among the beneficiaries of the will, but the notice did not give the amount.

Lehmann, who had his summer home at Lake Villa for many years, and who at one time owned most of the land in the community, has been a repeated donor to the Methodist church. He gave the land on which the church was built and has

contributed to various projects of the church since.

Mr. Plummer said that recently Lehmann gave seven lots south of the church as a future building site and a consulting architect said that the present building could be moved there and used as a part of a larger building. No action has been taken on the matter, however.

With the recent gift and the need for a larger building to house a rapidly growing congregation, the idea of a church building plan will be given impetus.

Mr. Lehmann died 10 days ago, leaving the widow and one son. He was a member of the Lehmann family that owned the Fair store in Chicago.

Son Born to Bicks

A son was born Monday to Mr. and Mrs. Joseph Bick of Lake Villa at Victory Memorial hospital.

Mr. and Mrs. George Dunn of Barrington were Sunday guests of Mr. and Mrs. George Grunow at Channel Lake.

Mr. and Mrs. Duane B. Baldwin of Hampshire spent Sunday with the former's sister, Mrs. Frank Runyard at Channel Lake.

HAROLD (BUD) CARDIFF HOME ON FURLOUGH

Harold (Bud) Cardiff, Jr., who spent the past year serving in the Armed forces in the Marshall Islands, arrived home Wednesday for a thirty day furlough with his parents, Mr. and Mrs. Harold Cardiff, Sr.

Mr. and Mrs. Elmer Hunter returned home Thursday after spending a few days vacation with their daughter, Mrs. June Thompson at Galesburg.

O. E. S. PAST MATRONS ENJOY DINNER PARTY

Fifteen past worthy matrons of Antioch Chapter Order of Eastern Star attended a six-thirty dinner and party at Our Country Club, on Thursday evening. Cards were played following the dinner with Mesdames Barbara Wilson, Jean Ferris and Ida Osmond receiving prizes for highest scores.

PARENTS OF DAUGHTER

Mr. and Mrs. Joseph Cosgrove, Jr., are the parents of a daughter, "Martha Eva", born at Victory Memorial hospital, Waukegan, October 22. Miss Cosgrove was formerly Miss Martha Pruess, of Chicago.

CUB SCOUTS HOLD ORGANIZATION MEETING

The Antioch Cub Scouts held an organization meeting on Tuesday evening at the high school. General registration and locating of boys in dens and charter renewal was taken care of during the business session. Following the business Harry Jesse showed movies. Refreshments were served later.

Mrs. Gertrude Dunning, left Antioch recently for a vacation in Boston, Mass. and Portsmouth, New Hampshire.

Mrs. Lillian Hand is vacationing in California.

Mr. and Mrs. David Schwitzer and little daughter, Laura, were guests at the Howard Gaston home, Sunday.

Otto Christiansen Appointed Enumerator For Antioch Township

Appointment of Mr. Otto Christiansen, State Line Road, Antioch, Illinois as an enumerator in the 1954 Census of Agriculture was announced today by Crew Leader Edward A. Lusk, Lake Zurich, Illinois. Mr. Christiansen will canvass farms in part of Lake County.

Questionnaires for the 1954 Census of Agriculture are now in the mail and will be in the hands of local farmers within a few days. It was announced today by Field Supervisor Mr. Edmund M. Hoss of Chicago, Illinois.

The farm census questionnaires are being mailed from a central point with the distribution timed so that the report forms will arrive about a week ahead of the date when enumerators will begin the field canvass. The advance mailing is for the purpose of giving farm operators time to consult their records before filling in the answers required by the questionnaires and getting them ready for the census enumerators. This procedure is designed to insure greater accuracy of reporting and to save time both for the farmer and the enumerator when the latter calls at the farm.

The 1954 Census of Agriculture questionnaire is designed to provide information on the number and size of farms, acreage and harvest of crops, livestock production and inventories, selected farm facilities and equipment, selected farm expenditures, farm values, and mortgage debt. On the average, each farmer is asked about 100 questions, many of which can be answered by simply checking "yes" or "no".

Lubkeman and Miller Had 15-Day Furloughs

Pfc. Victor Lubkeman, son of Mr. and Mrs. Emil Lubkeman of North Ave., will leave tonight for San Diego and his duties as paymaster in the marine corps after a 15-day furlough spent with his parents.

Jack Miller who came with him, will get a longer furlough in visiting his parents, Mr. and Mrs. Clarence Miller because he will go overseas in January. His brother, James, who has been overseas for nearly two years and has completed his term of enlistment, arrived home from Japan about the same time that his brother did. He first served in Korea and then in Japan in the army.

The Millers and Lubkeman are Antioch High School alumni.

Is Surgical Patient

Mrs. Albert Farr was listed as a surgical patient at St. Therese hospital Monday.

A Right and a Duty

The coming election is of tremendous importance — it will determine the fateful courses that this nation will take in domestic and foreign policy. On both sides, the candidates, their managers, and their partisans have promised driving, fighting campaigns. Far-reaching and opposed philosophies of government are the real stake in this election. It will be a tragedy if the decision is made, as in the past, by a minority of our people.

Over the centuries, rivers of blood have been shed in the fight for the right of franchise—the right to a secret ballot. For this is the first and the last defense against tyranny. Without the right to vote as conscience and mind dictates, men are slaves—the servants of ruthless masters whose powers know no limit.

We have that right—yet it is common in this country for but half or less of the eligible voters to go to the polling booth on election day. One vote doesn't matter, they say. Yet a bare handful of votes can determine crucial contests—as recently as 1940 a U. S. Senator was elected by a margin of just 20 votes in the huge state of Texas. And when the "my vote doesn't matter" attitude is held by millions of people, we have government by the minority, and no one can say that the will of the people is dominant.

Vote as you please—but please vote.

Plan Evening Classes For Farmers at Central

The first annual evening school meeting for farmers in the Central High School area will be held in the Agriculture room at 8 p. m. Monday.

At this first meeting the men attending will make suggestions as to the subject matter to be included in this year's series of discussions. It is possible to have 20 to 30 nights available for this work. The first 10 or more could be devoted to some phase of livestock or crops, and the remaining evenings be used for farm mechanics or construction in the excellent shop facilities at the school.

Vernon O. Horne, instructor in agriculture, at the Central High school will be in charge of this year's evening school program.

A Western Old Time party will be given by the Social committee of the Antioch Methodist church at 8:30 p. m. Friday evening, Nov. 5. Members of all ages are invited. There will be entertainment, games and refreshments. Hostesses for the evening are Dr. and Mrs. James Kopriwa, Mr. and Mrs. Warren Polley and Mr. and Mrs. Art Meyers.

Robt. L. Hunter Exports Bull to Central America

Robert L. Hunter, Antioch, recently exported a registered Holstein-Friesian bull to Central America.

This animal, Ravenglen Star Triune, was sold to Luis Uribe, San Jose, Costa Rica.

During 1953, shipments of registered Holsteins were made to 23 nations. Recent years have shown marked increase in export activity, particularly among South American countries.

Mr. and Mrs. Sidney Dally of Everett, Washington, left Sunday, after spending a week with Mr. Dally's sister, Mrs. Earl Horton and family.

A reserve in U. S. Savings Bonds is just as important a part of a well-managed farm business as is land, livestock, and equipment.

It's not what a farmer spends but what he salts away in Savings Bonds that makes him free and independent.

You plant hopes with your crops; you plant certainty with Savings Bonds.

Savings Bond Sales

Residents of Lake County purchased a total of \$852,008 in Series E and H United States Savings Bonds in the month of August 1954 according to figures received from the Treasury Department by James F. Stiles of North Chicago, volunteer Savings Bonds Chairman in the County.

In September sales in Illinois of E and H Bonds represented 10.1 per cent of all sales in the Nation. The grand total for the month was \$38,087,447, an increase of 16 per cent over sales for September 1953, according to T. Merle Paul, State Director of the Illinois' Savings Bonds Division. Sales of Series H Bonds alone were \$11,375,500 as compared to \$6,081,500 in September of last year. In the first three quarters of 1954, 77.3% of the annual quota has been reached. National sales of E and H Bonds during the month were \$386,582,843, and Illinois' sales which represented 10.1% broke all records in the history of the sale of Savings Bonds with regard to percentage of national sales.

Small children don't mix well with contents of your medicine cabinet. They do mix well with your Savings Bonds which you are accumulating for their future education from current farm earnings.

U. S. Savings Bonds are the farmer's best buy of today for his financial security of tomorrow.

Wise farm dollars just keep rolling into U. S. Savings Bonds.

MOTOR CLUB WARNING

Autumn's colorful leaves can be deadly for drivers after they have fallen into the streets, according to the Chicago Motor Club.

The Club warned motorists today that wet leaves are slippery as ice under the wheels of a car.

Avoid piles of leaves, if it is possible, the Club advised. If there are too many of them to drive around, slow your car while you are still on dry pavement and proceed cautiously.

The Club added, however, that even the best drivers occasionally skid and suggested these steps for bringing a car out of a skid successfully:

1. Stay calm. If you aren't in control of yourself, you aren't in control of your car.
2. It is the rear end that skids, so turn your front wheels in the direction the rear end is skidding. That straightens the car and makes it easier to handle.
3. Don't put on your brakes, you might lock your wheels.
4. Keep your clutch engaged. This reduces speed and gives you maximum control of your car.

The Club said leaves piled along the roadside hold another danger for motorists — they conceal children at play.

Ford's Victoria V-8... the car for those who want something special

When it comes to V-8 experience Ford's got it!

The Ford V-block V-8 is the fully perfected result of Ford's experience building more V-8's than all other makers combined—more than 14,000,000 V-8 engines.

It took years of evolution for Ford to arrive at the wonderful V-8 engine it has today. An engine with deep-block design for added smoothness—longer life... with short-stroke, low-friction design to reduce wear—to increase gas mileage.

And so it goes in feature after feature. Ford was first in its field with Ball-Joint Front Suspension—with suspended pedals—with truly modern styling—with a host of other features which set the trend in the industry. This means that you can have as modern a car as money can buy—a car that commands the highest resale value in its field.

If You're Interested in an Used Car—Be Sure to See Your Ford Dealer

RECENT RESEARCH: Recent home interviews show more Chicagoland women want a dryer than any other work-saver.

WHY?

An electric dryer takes the work
out of washday...yet costs only
\$1⁹³ a week to own!

Why should your wife have to pin up 137 pieces of wet wash every week? It's so inexpensive to dry clothes the modern electric way. Of course, she'd love to dry clothes the way she washes—inside, in minutes, electrically. Dryer and washer are just steps apart. And nothing but pure, fresh, electrically heated air ever touches a stitch. (It's the cleanest, fastest way to dry clothes.) You'll like the way towels come out nice and fluffy with an automatic electric dryer. And your Mrs. will purr over pieces that turn out so smooth they hardly need ironing. High time we got together about an automatic electric dryer. (It's only a few dollars down and carfare money a week.) See the latest models at your nearby appliance dealer's or our store. Can you make it this week?

You are the best and did the thing—that's all. Clothes never dried sweeter.

Ceramics Students from University of Illinois Visit Pickard China Co.

Senior ceramic engineering students of the College of Engineering, University of Illinois, visited the Pickard China Co. plant Wednesday, Oct. 20 on their annual inspection trip of industry. They came to Antioch from Aurora and went from here to Milwaukee.

The trip lasted three days and the aeronautical, Agricultural, Ceramics, chemical, civil, electrical, general, mechanical, metallurgical and mining engineers went their separate ways, according to the industry that afforded them most interest.

The group visiting Antioch comprised the faculty members, R. L. Cook and J. A. Nelson, and three graduate students besides the six seniors.

Mrs. Mildred Dewar, 61, Dies at St. Therese Hosp.

Mrs. Mildred Dewar, 61, Westfield, Wis., died Oct. 28 at 3:27 a. m. at St. Therese hospital, where she had been since Monday.

She was born June 22, 1893 at Westfield where she had lived all of her life. Mrs. Dewar came to Lake Villa Friday for a visit with her son and daughter.

She was a member of the Westfield Presbyterian church. Relatives are her husband, William, and the following children: Mrs. Robert Marshall of Lake Villa, Mrs. Allie Winkler of Westfield, Mrs. Calvin Henningsen, Brooks, Wis., a son, Russell of Lake Villa, and fifteen grandchildren, also three brothers, Charles Sybell, Westfield; William of Beloit, and August of Wautoma, Wis.; a sister Mrs. Martha Perske of Stevens Point, Wis.

Funeral services will be held Saturday at the Presbyterian church at Westfield. Interment will be in East cemetery, Westfield.

Moose and Women Plan Parties for Children

A Halloween party for the children of Moose members at 2 p. m. Sunday at the lodge hall to be followed in December by a Christmas party, are in the plans of the lodge and its auxiliary, the Women of the Moose.

Antioch Chapter No. 735, Women of the Moose, voted in favor of four new candidates last Thursday, Oct. 21, at the Antioch Moose lodge. These candidates will be initiated into the Defending Circle at the next meeting, Nov. 4. McCall's Magazine has published an article on Mooseheart, City of Orphans, in the November issue. The Chapter has arranged to send a year's subscription to all of Antioch's non-Moose members who become parents from Oct. 20 through Nov. 20 in an effort to better acquaint non-members with the benefits of the organization and to help these young parents realize the security derived from membership.

The Red Cross has asked the Chapter to make a donation of either gifts or cash for overseas aid. The Social Service committee has offered to take this project and will supply the gifts.

Homemaking committee is sponsoring a demonstration by the International Harvester Co. next Tuesday, Nov. 2 at 8 p. m. at the home of Mrs. C. Meierdick.

Gavin P. T. A. Will See Reading Ability Checker

The regular meeting of the Gavin School P. T. A. will be held at 8 p. m. Tuesday, Nov. 2 in the Gavin School Auditorium. An interesting and informative meeting has been planned. L. H. McKain will demonstrate a machine which records a child's reading ability and checks for errors in methods of reading.

A musical selection will also be presented and refreshments will be served by the sixth grade mothers.

The Card and Bunco party given on October 15, which was sponsored by the Gavin P. T. A. was a great success. The P. T. A. appreciated the enthusiastic support and the help given by eighth grade mothers at their first money raising project of the season.

Gavin School P. T. A. also has good reason to be proud of Boy Scout Troop 79 for their showing at the Fall Camporee Oct. 16 and 17, at the Illinois Beach State Park. They received an A rating in camp procedure. They also received a woodsman axe, first prize for wood collecting. There were 21 boys present and Scoutmaster A. Johnson, Jr., Assistant Scoutmasters Edgar Braynard and C. E. Lindahl, Troop Committeemen N. C. Murray and A. L. Ramsay were also present.

BUTTONS that say, "Hi ya pal, didn't we meet on Seipan? Or was it on the beach at Leyte?"

Little bright, shiny lapel emblems that took the place of ruptured ducks for men who came home from the war with memories of the hot sands of Tunisia, the bitter cold of Bastogne, the blood that was spilled at Anzio, the deadly flak over Berlin, the angry waters of the North Sea, or the hidden mines on the beach of Normandy.

Today they're proud to wear the only fraternal emblem in America that says:

"This chap served overseas in the Armed Forces of his country in time of war! He's been places and seen things!"

If you speak the language of an overseas veteran from personal experience—then you know the men who belong to the Veterans of Foreign Wars. You were comrades in time of war. In the V.F.W. you can still be comrades in time of peace. This explains why more than a million overseas veterans are quick to say—

"THE V.F.W. IS A GOOD OUTFIT!"
